

Refik Anadol lights up Gorizia's Galleria Bombi

Posted on July 1, 2026 by Mark Rayner

GORIZIA — Europe's largest digital art gallery, the former air-raid shelter reborn as Galleria Bombi in Gorizia, is hosting "Data Tunnel," an immersive work by Refik Anadol, the Turkish-American artist whose pieces hang in the world's leading museums. The show will run through December 2025.
